VILLAGE OF PORT PERRY

REEL 2 - MS430

The Village of Port Perry was separated from Reach Township and incorporated in January 1872. Joseph Bigelow became the first Reeve of the new Corporation.

Over the next 12 years more than 200 by-laws were passed by elected representatives of the Village, but all of these were lost in a devastating fire which swept through the town and destroyed the entire business section.

Following the fire of July 4, 1884, the present day council, and succeeding councils set to work on the arduous task of re-writing and creating new by-laws with which to operate the town.

On the following pages are listed the first 50 years of by-laws for the Village of Port Perry, commencing July 9, 1884.
